#### The Moon Pours White Wine

The Moon Pours White Wine  
At a table in a garden on a soft, sweet, summers night  
Two "lunds" are sitting, taking by the moon's reflected light,  
On the table in line.

# Chanson d'automne

When a sighing begins  
In the violins  
Of the autumn song,  
My heart is drowned  
In the slow sound  
Languorous and long

Pale as with pain,  
Breath fails me when  
The hours toll deep,  
My thoughts recover  
The days that are over,  
And I weep.

And I go  
Where the winds know,  
Broken and brief,  
To and fro,  
As the winds blow  
A dead leaf

Les sanglots longs  
Des violons  
De l'automne  
Blessent mon coeur  
D'une langueur  
Monotone.

Tout suffoquant  
Et blême, quand  
Sonne l'heure,  
Je me souviens  
Des jours anciens  
Et je pleure;

Et je m'en vais  
Au vent mauvais  
Qui m'emporte  
Deçà, delà,  
Parlà à la  
Feuille morte.

Suddenly this defeat.  
 The blues gone gray  
 And the browns gone gray

# The

There is a spirit of energy and vigor in mountains,  
 and they impart it to all who approach their presence.

# Mountain

The mountain may seem very high  
 It reaches even to the sky,  
 And yet the picture holds it all  
 As well as things quite near and small,  
 And then the picture's but a nook  
 In my small picture reading book.

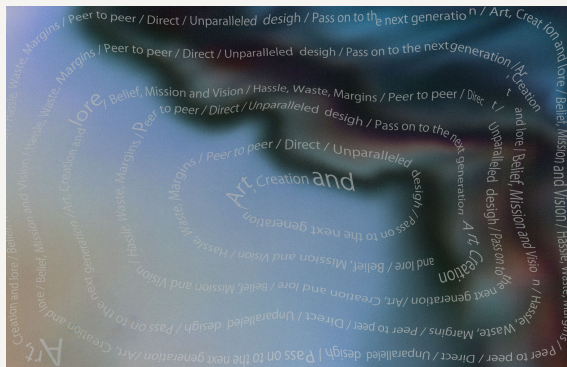

# With

Snow-capped mountain, with the wind on your forehead,  
 Away, away,—to the mountains away,

# Layer

I know a vale where I would go one day,  
 When June comes back and all the world once more  
 Is glad with summer. Deep in shade it lies  
 A mighty cleft between the besomming hills,  
 A cool dim gateway to the mountains' heart.

## SUNSET WAVE IS COMING

I can see the light from your bathroom door  
 You've been staying up late, I don't know what for  
 Let's watch the spinning blades of the ceiling fan

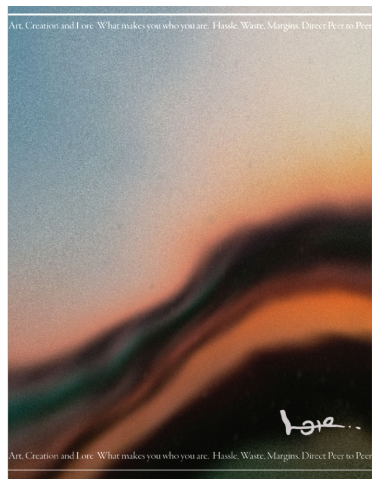

I can be your sunset wave  
 If you will be the light in my darkest place  
 I can be your sunset wave
